CLERK: Senator Savage voting aye.

PRESIDENT: Record.

CLERK: 26 ayes, 4 nays to adopt the committee amendments, Mr. President. I have another motion on the desk.

PRESIDENT: The committee amendments are adopted. Read the motion.

CLERK: I move to add the emergency clause. Signed, Senator Bereuter.

PRESIDENT: Senator Bereuter.

SENATOR BEREUTER: Mr. Speaker, members of the Legislature. The committee amendments now constitute the bill. It's deficient in one respect. It needs the emergency clause. I move for the adoption of the emergency clause.

PRESIDENT: Motion to add the emergency clause. Record your vote. Please vote. Savage voting aye.

CLERK: Senator Savage voting aye.

PRESIDENT: Record.

CLERK: 25 ayes, 6 nays to adopt the emergency clause. I have another motion on the desk.

PRESIDENT: Emergency clause has been adopted. Read the motion.

CLERK: I move to amend LB 213 to add a new section. That LB 328, 380, 213 be read simultaneously on Final Reading and be voted on in that order. Signed, Senator Mills.

PRESIDENT: Senator Mills.

SENATOR MILLS: Mr. President, there's many people who are not supporting these bills that are the so-called carrot bills, or mandates of the federal government. I think it is imperative that if they're not going to support one they ought to support the others. This will give them the chance to have them read quickly and voted on in that order so they can just wipe the whole thing clean. I'd ask you to adopt that amendment.

PRESIDENT: Motion to adopt Senator Mills' amendment. Senator Bereuter.

SENATOR BEREUTER: Point of order. I don't believe that's appropriate material for a legislative bill.

PRESIDENT: Senator Mills.

SENATOR MILLS: Mr. President, I agree. I withdraw it.
